PINK BEAUTY

Van Bourgondien Bros., Inc.  
Dept. 33  
Babylon, N. Y.

Gentlemen: Please send free copy of your bulb catalog offered in the May issue of FLOWER GROWER.

I thought you might like to know that last fall a friend invited us to drive to Brightwaters, where she used to live. On our way back to Wantagh we stopped at your place and I bought some American Flag Tulips. Being good healthy bulbs, I now have good healthy Tulips with flowers such as one usually buys from the professional florists. All our neighbors have been admiring them, but saying that they are beautiful doesn't do justice to them.

Very truly yours,

ANNIE V. GARMS,  
Wantagh, Long Island, N. Y.

Van Bourgondien Bros.  
Dear Sirs: I am sending another order for bulb additions to our garden at home. The Tulips, Daffodils and Hyacinths we have had were beautiful and are increasing each year. So I want to say thank you for the share you've had in our spring beauty.

Sincerely,

MARY I. HALLORAN

Worcester 6, Mass.

Van Bourgondien Bros.  
Dear Sirs: I was so pleased with all the bulbs I received last year, every one bloomed and they were beautiful, needless to say all the neighbors and office friends including myself enjoyed them very much.

Sorry my order is small this year but my space is limited.

Wishing you continued success, and thank you for your book.

Yours truly,  
MISS C. LOHREY  
Ridgefield, New Jersey

(Mertensia Virginia)

A beautiful hardy perennial that should be planted with Daffodils for contrast. Buds are pink, opening into lovely, dainty flowers of porcelain-blue, in nodding clusters. This beautiful flower starts blooming with Daffodils and lingers to frolic with the May-Flowering Tulips. Delightful in the open border or along woody paths. Each 40c; \$4.50 per doz.; \$32.00 per 100.

SNOWDROPS

CHIONODOXA LUCILIAE

## SMALLER FLOWERING BULBS

### DAINTY FLOWERS OF UNUSUAL APPEAL

#### Snowdrops (Galanthus)

Everybody knows the Snowdrops; with their little white bells coming through the snow; practically the first flower to show itself after the dreariness of the winter. Wonderful for naturalizing and for the rock garden.

**NIVALIS.** (Single.) 80c per doz.; \$6.00 per 100.

**NIVALIS.** (Double) 80c per doz.; \$6.00 per 100.

#### Scilla Sibirica

Scilla sibirica naturalize splendidly, are cheap and so can be planted liberally.

**SIBIRICA BLUE.** 70c per doz.; \$5.00 per 100; 1000 for \$47.00.

**SPRING BEAUTY.** A glorified Scilla, "Sibirica Blue." The color is much clearer blue; taller stems with 5 to 6 flowers from 1 bulb. 75c per doz.; \$5.50 per 100; \$52.00 per 1000.

**SIBIRICA ALBA.** Pure white form of sibirica. 75c per doz.; \$5.50 per 100; \$52.00 per 1000.

ERANTHIS HYEMALIS

#### Eranthis Hyemalis

(Winter Aconite)

Early in spring the golden blossoms look charming, resting on an emerald-green cushion of leaves and forming a striking contrast to the Snowdrops, Scillas and Chionodoxas. The foliage remains long after the flowers, making the plant especially valuable in moist situations, such as under trees, which the Winter Aconite enjoys, and where few other flowering plants will thrive. 3 to 8 inches high. 50c per doz.; \$3.50 per 100; \$32.00 per 1000.

## MUSCARI (Grape Hyacinths)

**HEAVENLY BLUE.** While there are several kinds of Muscari we consider this variety the best for mass planting. Their flowers open just about the time that the Crocuses are fading. 50c per doz.; \$3.50 per 100; \$32.00 per 1000.

**PLUMOSUM** (Plume Hyacinth). Flowering in May. Beautiful feathery plumes of violet-blue. Height 8 inches. We strongly recommend this variety for your garden. Very unusual type of Muscari. 55c per doz.; \$4.00 per 100; \$36.00 per 1000.

**WHITE BEAUTY.** In the past the white Muscari was always a very small flower and produced a very small bulb. This new introduction produces large flowers, pure white. The bulbs are considerably larger than the old type Muscari. 80c per doz.; \$6.00 per 100; \$56.00 per 1000.

## Fritillaria Meleagris

Singular, dwarf, spring-flowering plants, bearing large, pendent, bell-shaped flowers of various colors, in yellow, white, black, purple, striped and splashed and checkered in the most curious way. They are invaluable for pot culture and exceedingly pretty when grown in large groups in the garden border or wild garden in a dry situation.

**MIXED.** Select mixtures. 70c per doz.; \$5.00 per 100; \$50.00 per 1000.

FRITILLARIA MELEAGRIS

SCILLA CAMPANULATA

## Scilla Campanulata (Wood Hyacinth)

All the varieties of Scilla campanulata are splendid for naturalizing because they will flower in shady places. All have bells like small Hyacinths, forming long, graceful spikes.

**WHITE QUEEN.** Large, pure white. 60c per doz.; \$4.50 per 100.

**EXCELSIOR.** Large, bright blue. 60c per doz.; \$4.50 per 100.

## NOT JACKS OF ALL TRADES . . . JUST MASTERS OF ONE! QUALITY VALUE

Our trade is growing and selling superior bulbs! We do not carry other lines of plant material, such as trees and shrubs, garden tools and chemicals—as do many bulb vendors. **With us bulbs are not a sideline, but our entire business.** It stands to reason, therefore, that when you buy from us you benefit two ways.

We control the quality of the bulbs we grow every step of the way—coddling them with extra care from tiny bulblet size until they are well-fed, meaty, giant size bulbs—the finest available for the American market.

There are no in-between jobbers, wholesalers and other price-raising middlemen in the Van Bourgondien direct-by-mail bulb business. Our bulbs are Van Bourgondien grown and Van Bourgondien sold. This means real economy for you!
